

FOR AGRICULTURE / CLEANING

Product reference

HL4800PROE

Professional three-phase metal  
pressure cleaner with 800l/h  
flow rate / HL4800PROE

Brand

Bellota

EAN code

8414299085129

Use

For cleaning agricultural and industrial machinery, farms, agricultural workshops, industrial buildings, industrial sector and surfaces up to 2000m2

Bullet points

800/h of flow, 170 bar of pressure and 4.8 Kw of power.

Linear pump with brass head, ceramic pistons and induction motor offer maximum durability and performance.

Possibility of flow and pressure regulation.

Description

Professional three-phase pressure cleaner with 800/h of flow, 170 bar of pressure and 4.8 Kw of power. Ideal for cleaning agricultural and industrial machinery, farms, agricultural workshops, industrial buildings, industrial sector and surfaces up to 2000m2. Its linear pump with brass head, ceramic pistons and induction motor offer maximum durability and performance. It allows the user to regulate the pressure and flow rate to suit the use of each moment, displaying the working pressure on a pressure gauge. Equipped with a total stop system to protect the motor from overheating, and water suction capacity. Includes a reinforced gun, a 600mm stainless steel lance with brass connections, 15m steel reinforced high pressure hose with hanger, 4 interchangeable nozzles of 0°, 15°, 25°, 40° and a turbo nozzle to treat the most ingrained dirt, as well as a foam sprayer with 100ml soap tank. Its metal body makes it robust and durable for the most demanding uses. With transport wheels.

## Characteristics and attributes

---

### Attributes

Power (Kw): 4.8

Maximum pressure (bar | psi): 170 | 2465

### Characteristics

Pump type: Brass linear pump with ceramic plungers

High pressure hose diameter (mm): 16

Engine type: (Three-phase) induction motor

Nozzles included: 0°, 15°, 25°, 40° and turbo nozzle

Water filter

Detergent bottle: Yes, 1000 ml, adjustable flow rate

Transport wheels: Incluido

Water suction capacity: Incluido

Adjustable foam sprayer with soap tank: Incluido

Boquilla 3 en 1: No

## Item dimensions
