

### ELECTRIC SPRAYER

REF: PL1600BE / EAN: 8414299075861  
PVP 123,96€

**+EFFICIENCY+COMFORT**

- Homogeneous spraying.
- Rechargeable lithium battery 2,5 ah - 18 v.
- 16 l capacity: 175 / 190 l autonomy.
- Viton seals.
- 2 working positions herbicide and insecticide / fungicide.
- Ergonomic design with padded back area and wide straps.

80 CM FIBERGLASS LANCE

HIGH RESISTANCE PP  
ERGONOMIC HANDLE

INTERCHANGEABLE  
NOZZLES

### BRUSHCUTTER RANGE

**+QUALITY+RELIABILITY**

- Kawasaki 2-stroke engine & WALBRO carburetor.
- High performance clutch.
- Chrome plated piston and cylinder.
- **Vibra confort:** vibration absorption system.
- 28mm drive shaft.
- Multifunction handle and adjustable handlebars.

#### ACCESSORIES

- 305 mm 3 point blade.
- Semi-automatic head with 3 mm thread.
- Professional harness: padded, adjustable and with easy attachment to the machine.
- 1L gasoline and oil mixer container.

### BRUSHCUTTER

REF: DB4500E / EAN: 8414299076776  
PVP 454,54€

1.42KW, 1.9 HP and 45.4 CC displacement.  
8mm TRANSMISSION with 9 splines.

POWERED BY  
KAWASAKI

### BRUSHCUTTER

REF: DB5300E / EAN: 8414299079067  
PVP 578,50€

**Ultra Easy Start:** ultra easy start system.  
2KW, 2.68 HP and 53.2 CC displacement.  
10mm TRANSMISSION with 11 splines.

POWERED BY KAWASAKI  
ULTRA EASY START

### MOTOR HOE RANGE

### +EFFICIENCY+RELIABILITY

- Bellota steel boron 27MnCr25 blades made in Spain with a hardness of 49/51 HRc, with a 1mm edge.
- 4T engine power: 7HP / 212 c.c.

- Oil level alert.
- **Double filter:** air filter in oil bath + dry filter
- Chain + belt transmission system.

#### MOTOR HOE

REF: MZ2010E / EAN: 8414299085532  
PVP 619,01€

- 6 groups of cutters with blades Bellota.
- Working width: 450-650-850 mm
- Working depth: 150 - 300mm
- Speeds: -1, 0, 1, 2.
- Front wheel for easy transport

#### MOTOR HOE

REF: MZ3010E / EAN: 8414299085556  
PVP 742,98€

- 8 groups of cutters with blades.
- Working width: 450-650-850-1050 mm
- Working depth: 150 - 300mm
- Speeds -1, -1, 0, 2, 3.
- Pneumatic side wheels for easy transport

### PRESSURE WASHER RANGE

### +FLOW+INTENSIVE

- Professional range of intensive use. **Brass pumps.**
- **Induction motor.**
- Interchangeable high pressure nozzles: 0° 15° 25° 40° + Turbo.
- **Pressure and water flow regulation.**

- Possibility to use detergent (with accessory).
- Professional handle.
- Water suction capacity.
- Full stop system.

#### PRESSURE WASHER

REF: HL3000PROE / EAN: 8414299085105  
PVP 495,04€

High flow rate	510 l/h
Maximum pressure	160 Bar
Power	3 Kw
Head	3P brass pump with hardened steel pistons
Hose	10m high pressure with reel
Versatile	Wheeled trolley + fixed support

#### PRESSURE WASHER

REF: HL3300PROE / EAN: 8414299085112  
PVP 825,62€

High flow rate	630 l/h
Maximum pressure	150 bar
Power	3,3 Kw
Head	Linear brass pump with pistons with ceramic coating
Hose	10m high pressure
Frame	Steel

#### PRESSURE WASHER

HL4800PROE / 8414299085129  
PVP: 991,74€

High flow rate	800 l/h
Maximum pressure	170 bar
Power	4,8 Kw (three-phase)
Head	Linear brass pump with ceramic pistons
Hose	15m high pressure
Frame	Steel
